**DECLARATION OF ERIN E. MURPHY IN SUPPORT OF DEBTORS' APPLICATION
FOR ENTRY OF AN ORDER PURSUANT TO SECTION 327(e) OF THE
BANKRUPTCY CODE AUTHORIZING THE RETENTION AND EMPLOYMENT OF
KIRKLAND & ELLIS LLP AND KIRKLAND & ELLIS INTERNATIONAL LLP AS
SPECIAL LITIGATION COUNSEL FOR THE DEBTORS AND DEBTORS IN
POSSESSION EFFECTIVE AS OF JANUARY 15, 2021**

I, Erin E. Murphy, being duly sworn, state the following under penalty of perjury.

1. I am partner of the law firm of Kirkland & Ellis LLP ("Kirkland"),² located at 1301 Pennsylvania Avenue, N.W. Washington, D.C. 20004. I am a member in good standing of the Bar of the State of Virginia and the District of Columbia, and I have been admitted to practice in the United States District Court for the District of Columbia Circuit. There are no disciplinary proceedings pending against me.

2. I submit this declaration (the "Declaration") in support of the Debtors' *Application for Entry of an Order Pursuant to Section 327(e) of the Bankruptcy Code Authorizing the Retention and Employment of Kirkland & Ellis LLP and Kirkland & Ellis International LLP as Special Litigation Counsel for the Debtors and Debtors in Possession Effective as of January 15, 2021*

¹ The last four digits of the Debtors' taxpayer identification numbers are: 6130 (NRA) and 5681 (Sea Girt). The Debtors' mailing address is 11250 Waples Mill Road, Fairfax, Virginia 22030.

² Capitalized terms used but not otherwise defined herein shall have the meaning as set forth in the Application.

(the “Application”).³ Except as otherwise noted, I have personal knowledge of the matters set forth herein.

Kirkland’s Qualifications

3. The Debtors seek to retain Kirkland as special litigation counsel because of Kirkland’s extensive experience representing the Debtors in the matters described herein and Kirkland’s track record of providing the Debtors with effective and efficient legal services. The principal partners who work on these matters are Supreme Court, appellate, and constitutional law specialists who have been providing Debtors with Supreme Court, appellate, and strategic litigation advice across several matters for the past ten years. The Debtors believe that both the interruption and duplicative cost involved in obtaining substitute counsel to provide these specialized services at this juncture would be extremely harmful to the Debtors and their estates.

4. Kirkland is a full service, 2,700-attorney law firm representing global clients in a wide range of matters. Kirkland has provided legal services to the Debtors through a core group of dedicated attorneys and staff that has developed a close working relationship with the Debtors and has become intimately familiar with key issues that are critical to the matters for which Kirkland is retained. For these reasons, the Debtors believe that Kirkland is well-qualified to provide the requested services and that Kirkland’s employment as special litigation counsel for the purposes specified herein is in the best interest of the Debtors’ estates.

Services to be Provided

5. Subject to further order of the Court, and that certain engagement letter dated October 17, 2016 (the “Engagement Letter”), a copy of which is attached as **Exhibit 1** to the Order,

³ Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Application.

the Debtors request the retention and employment of Kirkland to render certain legal services in its capacity as special litigation counsel only upon the Debtors' request. Specifically, Kirkland will continue to provide legal services to the Debtors regarding certain pending constitutional litigations, appeals, Supreme Court matters, and/or future litigations that may be brought in this or another court and the specific matters set forth on **Schedule 2** attached hereto.

Professional Compensation

6. Kirkland intends to apply for compensation for professional services rendered on an hourly basis and reimbursement of expenses incurred in connection with the services rendered, subject to the Court's approval and in compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable procedures and orders of this Court. The hourly rates and corresponding rate structure Kirkland will use is are the same hourly rates and corresponding rate structure that Kirkland uses in other litigation matters, as well as similar complex corporate, securities, and restructuring matters whether in court or otherwise, regardless of whether a fee application is required. These rates and the rate structure reflect that certain complex matters typically are national in scope and involve great complexity, high stakes, and severe time pressures.

7. Kirkland operates in a national marketplace for legal services in which rates are driven by multiple factors relating to the individual lawyer, his or her area of specialization, the firm's expertise, performance, and reputation, the nature of the work involved, and other factors.

8. Kirkland's current hourly rates for matters related to these Chapter 11 Cases range as follows:⁴

⁴ For professionals and paraprofessionals residing outside of the U.S., hourly rates are billed in the applicable currency. When billing a U.S. entity, such foreign rates are converted into U.S. dollars at the then applicable conversion rate. After converting these foreign rates into U.S. dollars, it is possible that certain rates may exceed the billing rates listed in the chart herein. While the rate ranges provided for in this Application may change if

Billing Category⁵	U.S. Range
Partners	\$1,085-\$1,895
Of Counsel	\$625-\$1,895
Associates	\$625-\$1,195
Paraprofessionals	\$255-\$475

9. Kirkland's hourly rates are set at a level designed to compensate Kirkland fairly for the work of its attorneys and paraprofessionals and to cover fixed and routine expenses. Hourly rates vary with the experience and seniority of the individuals assigned. These hourly rates are subject to periodic adjustments to reflect economic and other conditions.⁶

10. It is Kirkland's policy to charge its clients in all areas of practice for identifiable, non-overhead expenses incurred in connection with the client's case that would not have been incurred except for representation of that particular client. It is also Kirkland's policy to charge its clients only the amount actually incurred by Kirkland in connection with such items. Examples of such expenses include postage, overnight mail, courier delivery, transportation, overtime expenses, computer-assisted legal research, photocopying, airfare, meals, and lodging.

11. To ensure compliance with all applicable deadlines, from time to time Kirkland utilizes the services of overtime secretaries. Kirkland charges fees for these services pursuant to

an individual leaves or joins Kirkland, if any such individual's billing rate falls outside the ranges disclosed above, Kirkland does not intend to update the ranges for such circumstances.

⁵ Although Kirkland does not anticipate using contract attorneys during these chapter 11 cases, in the unlikely event that it becomes necessary to use contract attorneys, Kirkland will not charge a markup to the Debtors with respect to fees billed by such attorneys. Any contract attorneys or non-attorneys who are employed by the Debtors in connection with work performed by Kirkland will be subject to conflict checks and disclosures in accordance with the requirements of the Bankruptcy Code.

⁶ For example, like many of its peer law firms, Kirkland typically increases the hourly billing rate of attorneys and paraprofessionals twice a year in the form of: (i) step increases historically awarded in the ordinary course on the basis of advancing seniority and promotion and (ii) periodic increases within each attorney's and paraprofessional's current level of seniority. The step increases do not constitute "rate increases" (as the term is used in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases*, effective November 1, 2013). As set forth in the Order, Kirkland will provide ten business-days' notice to the Debtors, the U.S. Trustee, and any official committee before implementing any periodic increases, and shall file any such notice with the Court.

the Engagement Letter, which permits Kirkland to bill the Debtors for overtime secretarial charges that arise out of business necessity. In addition, Kirkland professionals also may charge their overtime meals and overtime transportation to the Debtors consistent with prepetition practices.

12. Kirkland currently charges the Debtors \$0.16 per page for standard duplication in its offices in the United States. Kirkland does not charge its clients for incoming facsimile transmissions. Kirkland has negotiated a discounted rate for Westlaw computer-assisted legal research. Computer-assisted legal research is used whenever the researcher determines that using Westlaw is more cost effective than using traditional (non-computer assisted legal research) techniques.

13. As of the Petition Date, the Debtors owe Kirkland \$325,997.82 for legal services rendered before the Petition Date.

14. Pursuant to Bankruptcy Rule 2016(b), Kirkland has neither shared nor agreed to share (a) any compensation it has received or may receive with another party or person, other than with the partners, associates, and contract attorneys associated with Kirkland or (b) any compensation another person or party has received or may receive.

Statement Regarding U.S. Trustee Guidelines

15. Kirkland shall apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with the Debtors' chapter 11 cases in compliance with sections 330 and 331 of the Bankruptcy Code and applicable provisions of the Bankruptcy Rules, the Local Rules, and any other applicable procedures and orders of the Court. Kirkland also intends to make a reasonable effort to comply with the U.S. Trustee's requests for information and additional disclosures as set forth in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in*

Larger Chapter 11 Cases Effective As of November 1, 2013 (the “Revised UST Guidelines”), both in connection with this Application and the interim and final fee applications to be filed by Kirkland in these chapter 11 cases.

Attorney Statement Pursuant to Revised UST Guidelines

16. The following is provided in response to the request for additional information set forth in Paragraph D.1 of the Revised UST Guidelines:

- a. **Question:** Did Kirkland agree to any variations from, or alternatives to, Kirkland’s standard billing arrangements for this engagement?

Answer: Yes. Kirkland and the Debtors have agreed to a 15% discount to Kirkland’s standard billing arrangements for this engagement.⁷

- b. **Question:** Do any of the Kirkland professionals in this engagement vary their rate based on the geographic location of the Debtors’ chapter 11 cases?

Answer: No. The hourly rates used by Kirkland in representing the Debtors are consistent with the rates that Kirkland charges other comparable clients, regardless of the location of the litigation.

- c. **Question:** If Kirkland has represented the Debtors in the 12 months prepetition, disclose Kirkland’s billing rates and material financial terms for the prepetition engagement, including any adjustments during the 12 months prepetition. If Kirkland’s billing rates and material financial terms have changed postpetition, explain the difference and the reasons for the difference.

⁷ This discount is a product of the preexisting attorney-client relationship between Debtors and the principal partners on Debtors’ matters while those partners were practicing at a different law firm. The discount was negotiated as part of the process of transitioning that attorney-client relationship and those matters to Kirkland when those partners joined Kirkland.

Answer: Kirkland's current hourly rates for services rendered on behalf of the Debtors range as follows:⁸

Billing Category	U.S. Range
Partners	\$1,085-\$1,895
Of Counsel	\$625-\$1,895
Associates	\$625-\$1,195
Paraprofessionals	\$255-\$475

Kirkland represented the Debtors during the twelve-month period before the Petition Date, using the hourly rates listed below:

Billing Category	U.S. Range
Partners	\$1,075-\$1,845
Of Counsel	\$625-\$1,845
Associates	\$610-\$1,165
Paraprofessionals	\$245-\$460

- d. **Question:** Have the Debtors approved Kirkland's budget and staffing plan, and, if so, for what budget period?

Answer: Yes, we discuss anticipated budgets for each matter in the ordinary course of business.

No Adverse Interest

17. In connection with its proposed employment by the Debtors, Kirkland undertook to determine whether it had any conflicts or other relationships that might cause it to hold or represent an interest adverse to the Debtors. Specifically, Kirkland obtained from the Debtors and their representatives the names of individuals and entities that may be parties in interest in these chapter 11 cases (the "Potential Parties in Interest") and such parties are listed on **Schedule 1** attached hereto. Kirkland has searched on its electronic database for its connections to the entities listed on **Schedule 1** hereto.

⁸ While the rate ranges provided for in this Application may change if an individual leaves or joins Kirkland, and if any such individual's billing rate falls outside the ranges disclosed above, Kirkland does not intend to update the ranges for such circumstances.

18. Kirkland and certain of its partners and associates may have in the past represented, may currently represent, and likely in the future will represent, entities that may be parties in interest in these chapter 11 cases in connection with matters unrelated (except as otherwise disclosed herein) to the Debtors and these chapter 11 cases. Kirkland has searched on its electronic database for its connection to the entities listed on **Schedule 1** attached hereto. The information listed on **Schedule 1** may have changed without our knowledge and may change during the pendency of these chapter 11 cases. Accordingly, Kirkland will update this Declaration as necessary and when Kirkland becomes aware of additional material information.

19. To the best of my knowledge, (a) Kirkland does not hold or represent an interest adverse to the Debtors' estates and (b) Kirkland has no connection to the Debtors, their creditors, or other parties in interest, except as may be disclosed in this Declaration.

20. Listed on **Schedule 2** to this Declaration are the results of Kirkland's conflicts searches of the above-listed entities.⁹ For the avoidance of doubt, Kirkland will not commence a cause of action in these chapter 11 cases against the entities listed on **Schedule 2** that are current clients of Kirkland (including entities listed below under the "Specific Disclosures" section of this Declaration) unless Kirkland has an applicable waiver on file or first receives a waiver from such entity allowing Kirkland to commence such an action. To the extent that a waiver does not exist

⁹ As referenced in **Schedule 2**, the term "current client" means an entity listed as a client in Kirkland's conflicts search system to whom time was posted in the 12 months preceding the Petition Date. As referenced in **Schedule 2**, the term "former client" means an entity listed as a client in Kirkland's conflicts search system to whom time was posted between 12 and 36 months preceding the Petition Date. As referenced in **Schedule 2**, the term "closed client" means an entity listed as a client in Kirkland's conflicts search system to whom time was posted in the 36 months preceding the Petition Date, but for which the client representation has been closed. Whether an actual client relationship exists can only be determined by reference to the documents governing Kirkland's representation rather than its potential listing in Kirkland's conflicts search system. The list generated from Kirkland's conflicts search system is over-inclusive. As a general matter, Kirkland discloses connections with "former clients" or "closed clients" for whom time was posted in the last 36 months, but does not disclose connections if time was billed more than 36 months before the Petition Date.

or is not obtained from such entity and it is necessary for the Debtors to commence an action against that entity, the Debtors will be represented in such particular matter by conflicts counsel.

21. Kirkland's conflicts search of the parties in interest listed on **Schedule 1** (that Kirkland was able to locate using its reasonable efforts) reveals, to the best of my knowledge, that those Kirkland attorneys and paraprofessionals who previously worked at other law firms that represented such entities in these chapter 11 cases have not worked on matters relating to the Debtors' restructuring efforts while at Kirkland.

22. Based on the conflicts search conducted to date and described herein, to the best of my knowledge, neither I, Kirkland, nor any partner or associate thereof, insofar as I have been able to ascertain, have any connection with the Debtors, their creditors, or any other parties in interest, their respective attorneys and accountants, the United States Trustee for the Northern District of Texas (the "U.S. Trustee"), any person employed by the U.S. Trustee, or any Bankruptcy Judge currently serving on the United States Bankruptcy Court for the Northern District of Texas, except as disclosed or otherwise described herein.

23. Kirkland will review its files periodically during the pendency of these chapter 11 cases to ensure that no conflicts or other disqualifying circumstances exist or arise. If any new relevant facts or relationships are discovered or arise, Kirkland will use reasonable efforts to identify such further developments and will promptly file a supplemental declaration, as required by Bankruptcy Rule 2014(a).

24. Generally, it is Kirkland's policy to disclose entities in the capacity that they first appear in a conflicts search. For example, if an entity already has been disclosed in this Declaration in one capacity (*e.g.*, a customer), and the entity appears in a subsequent conflicts search in a different capacity (*e.g.*, a vendor), Kirkland does not disclose the same entity again in supplemental

declarations, unless the circumstances are such in the latter capacity that additional disclosure is required.

25. From time to time, Kirkland has referred work to other professionals to be retained in these chapter 11 cases. Likewise, certain such professionals have referred work to Kirkland.

26. Certain insurance companies pay the legal bills of Kirkland clients. Some of these insurance companies may be involved in these chapter 11 cases. None of these insurance companies, however, are Kirkland clients as a result of the fact that they pay legal fees on behalf of Kirkland clients.

Specific Disclosures

27. As specifically set forth below and in the attached exhibits, Kirkland represents certain of the Debtors' creditors, equity security holders, or other entities that may be parties in interest in ongoing matters unrelated to the Debtors and these chapter 11 cases. None of the representations described herein are materially adverse to the interests of the Debtors' estates. Moreover, pursuant to section 327(c) of the Bankruptcy Code, Kirkland is not disqualified from acting as the Debtors' counsel merely because it represents certain of the Debtors' creditors, equity security holders, or other entities that may be parties in interest in matters unrelated to these chapter 11 cases.

A. Kirkland Attorney and Employee Investments.

28. From time to time, Kirkland partners, of counsel, associates, and employees personally invest in mutual funds, retirement funds, private equity funds, venture capital funds, hedge funds, and other types of investment funds (the "Investment Funds"), through which such individuals indirectly acquire an interest in debt or equity securities of many companies, one of which may be one of the Debtors, their creditors, or other parties in interest in these chapter 11 cases, often without Kirkland's knowledge. Each Kirkland person generally owns substantially

less than one percent of such Investment Fund, does not manage or otherwise control such Investment Fund, and has no influence over the Investment Fund's decision to buy, sell, or vote any particular security. The Investment Fund is generally operated as a blind pool, meaning that when the Kirkland persons make an investment in the Investment Fund, he, she, or they do not know what securities the blind pool Investment Fund will purchase or sell, and have no control over such purchases or sales.

29. From time to time one or more Kirkland partners and of counsel voluntarily choose to form an entity (a "Passive-Intermediary Entity") to invest in one or more Investment Funds. Such Passive-Intermediary Entity is composed only of persons who were Kirkland partners and of counsel at the time of the Passive-Intermediary Entity's formation (although some may later become former Kirkland partners and of counsel). Participation in such a Passive-Intermediary Entity is wholly voluntary and only a portion of Kirkland's partners and of counsel choose to participate. The Passive-Intermediary Entity generally owns substantially less than one percent of any such Investment Fund, does not manage or otherwise control such Investment Fund, and has no influence over the Investment Fund's decision to buy, sell, or vote any particular security. Each Investment Fund in which a Passive-Intermediary Entity invests is operated as a blind pool, so that the Passive-Intermediary Entity does not know what securities the blind pool Investment Funds will purchase or sell, and has no control over such purchases or sales. And, indeed, the Passive-Intermediary Entity often arranges for statements and communications from certain Investment Funds to be sent solely to a blind administrator who edits out all information regarding the identity of the Investment Fund's underlying investments, so that the Passive-Intermediary Entity does not learn (even after the fact) the identity of the securities purchased, sold, or held by the Investment Fund. To the extent the Passive-Intermediary Entity is or becomes aware of the

identity of the securities purchased, sold, or held by the Investment Funds (“Known Holdings”), such Known Holdings are submitted to Kirkland’s conflict checking system.

30. From time to time, Kirkland partners, of counsel, associates, and employees personally directly acquire a debt or equity security of a company which may be (or become) one of the Debtors, their creditors, or other parties in interest in these chapter 11 cases. Kirkland has a long-standing policy prohibiting attorneys and employees from using confidential information that may come to their attention in the course of their work, so that all Kirkland attorneys and employees are barred from trading in securities with respect to which they possess confidential information.

B. Other Disclosures.

31. Finally, certain interrelationships exist among the Debtors. Nevertheless, the Debtors have advised Kirkland that the Debtors’ relationships to each other do not pose any conflict of interest because of the general unity of interest among the Debtors. Insofar as I have been able to ascertain, I know of no conflict of interest that would preclude Kirkland’s joint representation of the Debtors in these chapter 11 cases.

32. The spouse of Kirkland partner Helen E. Witt, P.C. is a managing director of JPMorgan Chase & Co. JPMorgan Chase Bank, N.A. and J.P. Morgan Clearing Corp. are among the Potential Parties in Interest. Out of an abundance of caution, Kirkland has instituted formal screening measures to screen Ms. Witt from all aspects of Kirkland’s representation of the Debtors.

33. Kirkland currently represents, and formerly has represented, Bank of America, N.A. (“Bank of America”) and certain of its affiliates, in a variety of matters. Bank of America is a lender in these chapter 11 cases. Kirkland’s representations of Bank of America, in the aggregate, accounted for less than one percent of Kirkland’s fee receipts for the twelve-month

period ending on January 31, 2021. All of Kirkland's current and prior representations of Bank of America have been unrelated to the Debtors and these chapter 11 cases.

34. Furthermore, prior to joining Kirkland, certain Kirkland attorneys represented clients adverse to Kirkland's current and former clients. Certain of these attorneys (the "Screened Kirkland Attorneys") will not perform work in connection with Kirkland's representation of the Debtors as special litigation counsel and will not have access to confidential information related to the representation. Kirkland's formal ethical screen provides sufficient safeguards and procedures to prevent imputation of conflicts by isolating the Screened Kirkland Attorneys and protecting confidential information.

35. Under Kirkland's screening procedures, Kirkland's conflicts department distributes a memorandum to all Kirkland attorneys and legal assistants directing them as follows: (a) not to discuss any aspects of Kirkland's representation of the Debtors with the Screened Kirkland Attorneys; (b) to conduct meetings, phone conferences, and other communications regarding Kirkland's representation of the Debtors in a manner that avoids contact with the Screened Kirkland Attorneys; (c) to take all measures necessary or appropriate to prevent access by the Screened Kirkland Attorneys to the files or other information related to Kirkland's representation of the Debtors; and (d) to avoid contact between the Screened Kirkland Attorneys and all Kirkland personnel working on the representation of the Debtors unless there is a clear understanding that there will be no discussion of any aspects of Kirkland's representation of the Debtors. Furthermore, Kirkland already has implemented procedures to block the Screened Kirkland Attorneys from accessing files and documents related to the Debtors that are stored in Kirkland's electronic document managing system.

Affirmative Statement

36. Based on the conflicts search conducted to date and described herein, to the best of my knowledge and insofar as I have been able to ascertain, (a) Kirkland does not represent or represent an interest adverse to the Debtors or estates with respect to the matters on which it is seeking to be employed and (b) Kirkland has no connection to the Debtors, their creditors, or other parties in interest, except as may be disclosed herein.

[Remainder of Page Intentionally Left Blank]

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.
